

**BIOPIC: Dr. Tracey Ryan-Morgan**

Dr. Ryan-Morgan is a Lead Consultant Clinical Neuropsychologist, and Clinical Director of Talis Consulting Limited ([www.talisconsulting.co.uk](http://www.talisconsulting.co.uk)), as well as an Associate Fellow of the British Psychological Society. Dr. Ryan-Morgan was Registrar and Chief Supervisor to the Clinical Neuropsychology Qualifications Board for the post-doctoral Qualification in Clinical Neuropsychology (Q.i.C.N.) from 2010 to 2022 and is now Chair of the Committee for Training in Clinical Neuropsychology that sets the accreditation standards for post-doctoral university routes to the Specialist Register of Clinical Neuropsychologists. Dr. Ryan-Morgan is a Regional Fellow of the Royal Society of Medicine and a Chartered Scientist. She works out of bespoke Consulting Rooms in Carmarthen and at 10, Harley Street, London.

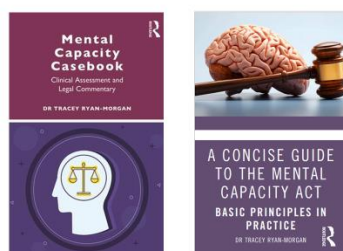

Dr. Ryan-Morgan was the Consultant and Clinical Lead for the Brain Injury Rehabilitation Trust 24 bed unit in Llanelli, Carmarthenshire from October 2013 to January 2017, establishing it as a new service.

Dr. Ryan-Morgan was a founder member of a national Cross-Committee Working Party of the Division of Neuropsychology which produced a profile of competencies in Clinical Neuropsychology (2012) within the context of Statutory Regulation of the profession via the Health Care Professions Council with whom she is Registered. She has been closely involved with establishing a Professional Recognition Route to the Specialist Register of Clinical Neuropsychologists (2023/4).

She has published two commissioned books for Routledge on The Mental Capacity Act (2019 & 2022) and is an invited reviewer for the journal, Neuropsychological Rehabilitation (see Web of Science and ResearchGate).

In her NHS practice, Dr. Ryan-Morgan was Head of Specialty for Clinical Neuropsychology and Deputy Head of Clinical Psychology until 2006 when she left to further develop her private practice. Dr. Ryan-Morgan has previously held an (invited) Honorary position of Consultant Clinical Neuropsychologist with the Hywel Dda Health Board and until May 2022 was sessional Lead Consultant Clinical Neuropsychologist with the Swansea Bay University Health Board. She is a Visiting Reader in the Faculty of Science, Engineering and Social Sciences at Christ Church Canterbury University and has previously lectured at the Universities of Swansea & Cardiff.

Dr. Ryan-Morgan is regularly asked to speak at National conferences such as Brain Injury Group and APIL, to provide teaching and training to clinical colleagues across the UK and is on the Steering Committee for the South Wales branch of UKABIF.
